ANNOUNCEMENT

To all Lovers of Good Cattle, Greeting:

IN PRESENTING this, my Eleventh Sale Catalogue, to the Short Horn breeders of the world, I feel confident that this sale includes the most valuable lot of Scotch cattle than any other previous offering from this herd. And those now offered, you will observe, are of the Scotch breed and sired by Scotch bulls which I have found, after long experience, to produce the strongest specimens of cattle that are known. They have better constitutions, lay on flesh more rapidly, and their produce is more sought after than that of any other family. Most of the cattle are young, but mostly of breeding age, with all their usefulness before them. The cattle are all in good, thrifty, breeding condition, fresh from the pastures, with but very little fitting.

I also wish to call special attention to the get of my herd bulls, Prince Robin 248348, Merry Dale 320001, and Belle's Knight 410241, as most of the young things in the sale are sired by them, and their calves on sale day will furnish the evidence of their worth as sires. I dare say that there will not be another opportunity in a long time to bid on a better lot of young heifers sired by three such sires as you will find in this sale. Most of them are show propositions and good enough to go into any herd of cattle in the United States. The bulls are a good lot, and most of them will make good, desirable, show animals.

This will afford both breeders and those seeking show stuff an opportunity to secure their wishes. I have said nothing about the quality of the cattle regarding any one animal, I am confident, however, that those who come will not be disappointed.

All cattle have been tested for tuberculosis. You are cordially invited to be present at this sale. Every comfort is assured to those who attend. The sale will begin at 1 o'clock P. M., Wednesday, December 16, 1904. A lunch will be served at 12 o'clock.

Sincerely,

M. L. ANDREWS.

Warranty. I guarantee every animal of breeding age a breeder. In the case of cows sold with calf at foot evidence of breeding is present, and no further guarantee is given. All other cows or heifers bred should they not prove in calf after a reasonable trial period, can be returned and another animal of equal value will be given in exchange, expense of this shipment to be borne by purchaser. Bulls are guaranteed under the same terms. I will not offer any animal that I consider in the least doubtful.

Pedigrees. A certificate of registry in the American Shorthorn Herd Book, will be furnished for every animal, with exceptions of young calves sold with dam, and there will be furnished for these a pedigree in the application form, ready for registry.

Terms. Cash or its equivalent. All stock will be loaded on the cars after sale without trouble to the purchaser. Buyer's risk after bid off.

Auctioneers. Kraschel, Jones and Garis.

Information. Those coming over C. & N. W. or M. & St. L., stop at Marshalltown and go to Pilgrim Hotel as my guest.

Take morning train over C. G. W. to farm on sale morning, December 16, 1914.

Parties from a distance attending sale will be entertained at Hotel Melbourne. No postponement on account of weather, Sale under cover.

Mail or telegraph bids may be sent to the auctioneers in our care, and will be fairly dealt with.

Belle's Knight 391719—a white of November 18, 1910; out of Lady Belle 7th 59838 by Roan Knight 2d 311715, tracing on the dam's side to the great Campbell J. Tribe, noted for their show yard fame. Belle's Knight was bought as a sucking calf with his mother, thinking him a great prospect, and as he developed into a wonderful bull I used him on Prince Robin calves, but, unfortunately, I lost him in the spring of 1913. His get will speak for him sale day.

Imp. Lady Belle 5th—belongs to the grand old J. tribe, a tribe that has produced very many show animals. They were great favorites with the late Mr. S. Campbell, of Kinellar, and many others in Aberdeenshire. This cow is a half sister to Lady Bell 3d that sold in one of Mr. A. Chrystal's sales for \$1,500.

Roan Knight 2d 311715—roan, calved July 22, 1907; bred by John Rasmess, got by Red Knight 174212, out of Imp. Gladys of Dalmeny, roan, calved January 5, 1899; bred by Earl of Roseberry, Edinburgh, Scotland, got by Scottish Sailor 150766, out of Imp. Gladys by Prince of Fashion 136634.

A careful inspection of the pedigree of **Prince Robin** will show that he is as richly bred as the most critical student of pedigree could desire. In his ten-year-old form he is active and still doing service in the herd. He has been used in the Andrews herd since a yearling and has sired a grand lot of bulls and heifers. His daughters topped the sale of E. R. Silliman last May and the sale of F. H. Ehlers in March. One of his sons, Mister Robin, is at the head of the herd of I. H. Whitman & Son, Lisbon, Iowa, and a thousand dollars would not buy this bull. The late Col. Bellows has many times publicly stated that Prince Robin was one of the very greatest breeding bulls in the west. Prince Robin has done much for the Andrews herd. Few breeders are fortunate enough to have such a sire in their herd. The daughters of Prince Robin are always in demand and are eagerly sought by the better breeders. No man can make a mistake in buying a son or daughter of Prince Robin or a cow bred to this noted sire.—Carlos C. Palmer.

If my memory serves me correctly it was in 1906 that M. L. & A. J. Andrews purchased the junior yearling bull Prince Robin to be used at Green Vale and Thistlewood. He afterwards became the property of M. L. Andrews. It was at the sale made by these two gentlemen about two years later that breeders commenced to take notice that the Andrews have one of the great breeding bulls of Iowa. I have been a close observer of his get from that time. Have seen cattle sired by him in many of the leading herds throughout the country. Must say that his get have been among the tops wherever they have gone. He is not only a sire of heifers, but his bulls are equally as good, and have been and are at the present time heading a number of Iowa's better herds. They are breeding on. He is a bull with plenty of scale and has had a wonderful constitution. Few bulls have left more to their credit than Prince Robin.—E. R. SILLIMAN, September 4, 1914.

Eighteen members of the family, old and young, sold at the dispersion of the Uppermill herd for an average of \$830 each.

Belle's Knight was bought as a sucking calf with his mother, thinking him a great prospect, and as he developed into a wonderful bull I used him on Prince Robin calves, but, unfortunately, I lost him in the spring of 1913. His get will speak for him sale day.
